

Diabetes community champions train-the-trainer

Diabetes UK are offering FREE training to community engagement workers and volunteer managers in Rotherham to help raise awareness of, and support people living with type 2 diabetes in your communities. Our training will equip you with the knowledge and resources to train others to become Diabetes Community Champions.

Training takes place over two afternoons, with a one-hour online follow-up.

Whilst this training and further support from Diabetes UK is free, we do ask all participants to complete a simple activity log three months and 12 months after the training, so we can see how you are putting your training into action.

Day 1: Thursday 11th July

Time: 1 - 4:30pm

Venue: VAR

Day 2: Monday 15th July

Time: 1 - 4:30pm

Venue: VAR

Please note, you must attend both days to receive a training certificate.

For more information and to book your place, please contact Hannah.Morrow@diabetes.org.uk.
