# Cupcake Day

## Calling all bakers and fakers this Cupcake Day!

We are celebrating Cupcake Day at the Rotherham Dementia Forum so whether you're a baking novice or a pro, this is your chance to unite in the fight against dementia while having a giant helping of fun. So dust off your mixing bowls and whip out your whisks and get baking. We will be selling all cupcakes that have been donated on the day for a small donation, along with other fundraising activities. All funds raised will go to Alzheimer's Society
