

Food for People in Crisis

Christmas Appeal 2021

We are a partnership of organisations, helping people in Rotherham in crisis situations by providing food and non-food items. The partnership has launched its annual Christmas Appeal for 2021 and this year we are focusing on bringing cheer to those in need by asking for donations in order to provide festive items that will supplement the basic foods we all need.

Treats and festive foods are a luxury some just cannot afford this year, as more and more families face the difficult task of providing the basics needed for survival.

Due to the ongoing pandemic, we are once again encouraging monetary donations this year.

You can make a donation in one of the following ways:

Send a cheque, payable to: 'People in Need (VAR)', to the address below

Make a bank transfer through your bank to Account Number: 20298847, Sort Code: 60-83-01

Please email Food in Crisis if you are interested in setting up a Standing Order to support this cause on an ongoing basis
